Inspiring Educators

Educating bright, talented, and creative Cosmetology and Esthiology students would not be possible without our experienced and passionate team of Aveda Certified Educators. Our educators strive to create a learning environment where all students feel comfortable discovering their creative spark, all while becoming well-rounded individuals focused on connecting beauty, professionalism, and well-being.

Passionate Instructors

Our team shares a love for education and personal wellness. We are passionate about helping each student develop their talent by giving them the tools they need to succeed and become future industry leaders. In short, Aveda Institute Portland Educators love what they do.

Federal Student Aid

Federal Student Aid is the largest source of financial aid that helps pay for school. Federal Student Aid is available for those who qualify. To apply, you will need to complete the Free Application for Federal Student Aid (FAFSA). The application is free and easy. You will need your W-2s and Tax Forms and go to www.fafsa.gov to complete the application process.

Private Student Loans

Private Student loans can be harder to come by, but companies like Sallie Mae® and other private companies are there to help finance tuition. The Institute does not endorse and is not affiliated with any of these lending foundations.

Scholarships

In addition to cash payment, Federal Financial Aid and Sallie Mae® Student Loans, there are many scholarship opportunities available to our students. Check out our website at www.avedapdx.com for our current list of available scholarship opportunities.

The National Accrediting Commission of Career Arts & Sciences (NACCAS) is recognized by the United States Department of Education as a national accrediting agency for postsecondary schools and departments of Cosmetology Arts and Sciences. Aveda Institute Portland is proud to be accredited by NACCAS.
